“Chilled Water Systems and Pressure Independent Control Valves”

This month our meeting will be held at the Steeplegate Inn and includes a presentation on Campus Chilled Water Systems and Pressure Independent Control Valves. This program will be presented by Eric Moe of Flow Control Industries.

Eric is the Director of Business Development for Flow Control Industries Inc. Eric earned his Bachelor of mechanical engineering, Masters in engineering and Masters in business administration degrees from the University of Washington in Seattle.

He has over 16 years experience in Mechanical Systems Design and Integration in multiple disciplines. He is a member of the International District Energy Association and Association of Energy Engineers.

Eric's technical expertise lies in energy analysis, fluid flow and heat transfer. In the HVAC industry, Eric specializes in hydronic system design, troubleshooting, and analysis in both new construction and retrofit projects.

Monthly Meetings

The regular monthly meetings for the Mississippi Valley Chapter of ASHRAE are held on the 3rd Thursday of each month from September to May unless otherwise noted. Meetings are located at the Steeplegate Best Western in Davenport Iowa unless noted otherwise.

Chapters Regional Conference

Be sure to mark you calendars for April 28th through April 30th as our chapter prepares to host CRC for Region VI. The CRC will be held at the Radisson at John Deere Commons, and the Mark.

The chapter needs help from all of the members to make this a success. Please volunteer to help out our CRC co-chairs John Holbert, and Sherm Sweeney. Only by having help from our chapter members can this be a successful event.
